ITINERARY

DAY 1 – JUNEAU, AK

Settle into your hotel and prepare to explore the heart of Juneau. Downtown, you'll find an array of unique shops offering local crafts and souvenirs, and excellent museums like the Juneau-Douglas City Museum and the Alaska State Museum showcasing the impactful culture of the Tlingit, Haida, and Tsimshian peoples. From nearly any point in Juneau, you can see the Mendenhall Glacier in the distance, a stunning expanse of ice that glows in the Alaskan sun.

DAY 2 – AFTERNOON CRUISING

Get settled in after embarkation and keep a keen eye on the horizon as you depart the dock, for these waters are renowned for their abundance of whales. With luck, you may catch sight of these magnificent creatures breaching the surface. Unpack in your stateroom—the largest in the industry—and join us for an array of onboard activities. Don't miss cocktail hour and our engaging entertainment for the night.

DAY 3 - HAINES, AK

Nestled at the northern end of the Lynn Canal, the mountains rise steeply from the shoreline and seem to wrap around Haines. Along a river on the edge of town, view the bears that regularly feed on salmon. Bald eagles are the stars of more than 260 species of birds in the adjacent Chilkat Valley. Enjoy a variety of activities, including a guided wildlife expedition, a private kayaking and rafting tour, or a visit to bald eagle rehabilitation center.

DAY 4 - GLACIER BAY

There is no place in the world quite like Glacier Bay National Park. The park sprawls majestically over 3.3 million acres of dynamic topography. Savor a day cruising through this 60-mile bay as you delight in the diverse and stunning surroundings. Gaze in amazement at hundreds of seals hauled out on floating icebergs and massive chunks of ice breaking off and collapsing into the water. Enjoy awe-inspiring sights as your onboard presenter shares stories about the unique aspects that make this place so remarkable.

DAY 5 - DAY OF CRUISING THE INSIDE PASSAGE

Wake up to the misty beauty of Alaska from your private veranda.

DAY 6 - SITKA, AK

This charming coastal town is set against the stunning backdrop of the Pacific Ocean and towering mountains. Known for its history as the former capital of Russian America, Sitka features landmarks like St. Michael's Cathedral, the first Orthodox cathedral in the New World. The town offers breathtaking

views of Mount Edgecumbe, a dormant volcano rising from the sea, and the tranquil waters of Sitka Sound shimmering under the Alaskan sun. Explore the Sitka National Historical Park, where you can see totem poles standing tall amidst forests and walk trails that weave through ancient spruce and hemlock trees.

DAY 7 - CRUISING THE INSIDE PASSAGE & FREDERICK SOUND

After several days of thrilling adventures, take a day to unwind and rejuvenate as you cruise through Alaska's stunning landscapes. Glide through fjords carved by glaciers, flanked by mountains that tower over 15,000 feet, creating a dramatic and unforgettable backdrop. Pass by countless islands, each draped in dense, emerald forests right down to the shoreline. Every second is a postcard-worthy moment along the Inside Passage and Frederick Sound.

DAY 8 - PETERSBURG, AK

As your ship docks in Petersburg, admire the surrounding mountains which rise to the sky, white and gleaming. Founded more than 100 years ago by Norwegian fishermen, Petersburg is an authentic Alaskan fishing town, with most families making their living from the sea. Be warmly welcomed by locals and excursion guides who are proud to share the treasures of their hometown and honor the culture of those who first settled here. For a spectacular view, take a flightseeing excursion and soar over massive glaciers, majestic valleys, and mystic bays.

DAY 9 - WRANGELL, AK

Wrangell's cozy little bay offers a broad view of the attractive town and along the long valley descending from the backdrop of coastal mountains. To the north of town, the Stikine River empties into the ocean in braided rivulets across a wide delta. Salmon runs attract wildlife and observation areas enable you to safely watch eagles, seals, black bears, and brown bears feasting on the spawning fish.

DAY 10 – CRUISING THE WRANGELL NARROWS

Feast your eyes on awe-inspiring glaciers, cascading waterfalls that shimmer like silver threads, and a rich tapestry of wildlife, including playful marine mammals and a variety of shorebirds and seabirds.

DAY 11 - TRACY ARM, AK

Tracy Arm Fjord's 25-mile passage features towering cliffs, cascading waterfalls, and snow-capped peaks. Seals rest on ice floes near the twin Sawyer Glaciers. The crew serves hot chocolate as you glide through this wilderness, "shut in by sublime cliffs, nobly sculptured," as John Muir described.

DAY 12 - JUNEAU, AK

After an exciting adventure exploring the best of Alaska, end your journey where it began, in Juneau. Enjoy breakfast on board before departing the ship.
