- Discover the clever irrigation system called levadas, and the picturesque village of Camacha on Madeira Island.
- Santa Cruz de La Palma with its sumptuous palaces and its picturesque old town featuring colonial architecture.
- Discovering three of the Canary Islands: Gran Canaria, Lanzarote and La Palma.

ITINERARY

DAY 1 – NOV 17 – MÁLAGA, SPAIN

Embarkation from 4:00 PM to 5:00 PM

Departure at 6:00 PM

A historical and festive town, Malaga is located in Andalusia, on the Costa del Sol. Between the marina and the beaches, the seaside promenade of La Farola offers an ideal setting for strolling and relaxing. From the hill overlooking the old town, one can see Gibralfaro castle and the Alcazaba, two fortified ensembles rising out from the cypresses and maritime pines. To visit Pablo Picasso's birthplace, you will go first to the courtly plaza de la Merced. A few streets back from here, you can explore the museum dedicated to the artist, in the Buenavista palace.

DAY 2 – NOV 18 – TANGIER, MOROCCO

Nestling in the Bay of Tangier, this bewitching Moroccan city lies at the northwestern tip of the country, along the famous Strait of Gibraltar. Following in the footsteps of the writers and artists inspired and seduced by the city's climate and setting, you'll love its rich landscapes and multicultural charm. You'll instantly understand as soon as you set foot in the heart of the Medina. An architectural masterpiece, the Kasbah is your gateway to the Sultan's Palace and its gardens. If you prefer beaches to museums, you can relax just a few minutes from the city on the beautiful sweep of sand bathed by the Atlantic Ocean.

DAY 3 – NOV 19 – CASABLANCA, MOROCCO

Situated along the Atlantic coast, Casablanca is the very image of contemporary Morocco: Westernized and cosmopolitan. Exploring the architectural heritage of the "White City" tells you all you need to know about its cultural and historical diversity. Breathtaking highlights include the majestic Hassan II Mosque, considered to be one of the greatest religious buildings in the world. You can explore the narrow alleys of the old Medina, which stand in sharp contrast to the surrounding modern architecture. To get the most from the seafront, the Ain Diab Corniche provides a pleasant place for strolling with easy access to the beach.

DAY 4 – NOV 20 - FUNCHAL, MADEIRA

This attractive capital of Madeira is located on the southern coast of the island. The walkways of the old town are lined with azulejos, or multi-colored mosaics. If you follow these patterns, they'll lead you to the appetizing Mercado dos Lavradores market stands, the Frederico de Freitas museum, and the golden paneling of the Cathedral de la Sé. Along the waterfront, the palm tree-shaded promenade leads you to the teleféricos de Monte, Madeira's cable cars. Its panoramic cabins transport you over the city to top of Monte, where you can see the picturesque botanical garden.

DAYS 5-6 – NOV 21-22 - AT SEA

During your journey at sea, make the most of the many services and activities on board.

DAY 7 – NOV 23 - SANTA CRUZ DE LA PALMA, CANARY ISLANDS

The capital of the island of Palma, Santa Cruz de la Palma is the pearl of the Canaries. Founded in 1493 by the conquistador Alonso Fernandez de Lugo, the city has preserved a large and atypical architectural heritage from its colonial past, with its traditional Canarian houses adorned with brightly colored wooden balconies, its cob-

bled streets, its sumptuous palaces and its numerous religious buildings. The Santa Catalina Castle is the symbol of the city. This 16th century military fortification helped defend the city from repeated attacks by French privateers. 2 available excursions to this stopover

DAY 8 – NOV 24 - ARRECIFE DE LANZAROTE, CANARY ISLANDS

Established on a coast sprinkled with cliffs, Arrecife has a pleasant beach and a lagoon full of charm, Charca of San Ginés, where the fishermen anchor their boats. The city also proposes places fed by history and culture, such as the castle San Gabriel, former fort of defense of the city.

DAY 9 – NOV 25 - LAS PALMAS DE GRAN CANARIA, CANARY ISLANDS

Disembarkation at 8:00 AM

A stopover of sunny climes, Las Palmas is located on the north-east coast of Gran Canaria. A few streets away from Puerto de la Luz port, you'll discover the vast Las Canteras beach, bordered with the town's characteristic palms. You'll find these palms are all over Las Palmas, in the streets and squares, especially on the plaza de Santa Ana in the heart of the historical district. It feels like you've travelled back in time here, as you stand looking at the tall houses beside the Santa Ana cathedral. Very close by, you can visit the Casa de Colón, a museum dedicated to the famous explorer. The museum is housed in the palace belonging to the island's former governor. Chances are, you'll be drawn to the covered Vegueta market to partake in some daily life along with the locals and taste some unfamiliar dishes.

PRE- AND POST-CRUISE PROGRAMS ARE AVAILABLE TO SEE AND EXPERIENCE MORE OF SPAIN AND THE CANARY ISLANDS.
