

BAJA'S BOUNTY

MEXICO'S SEA OF CORTÉS

This inclusive adventure cruise in Mexico's Sea of Cortés showcases a world of raw beauty, active adventure, authentic culture, and wildlife. Kayak in glassy coves. Hike along cactus-clad rims and among desert scrub. Snorkel alongside playful sea lions and colorful invertebrates.

DATES – Every SATURDAY
December 22, 2018 to March 23, 2019
December 21, 2019 to March 14, 2020

DURATION – 8 days

EMBARKATION – La Paz (Mexico)
DISEMBARKATION – La Paz (Mexico)

SHIP – M/V Safari Endeavour
FROM – \$4,015 (Double, incl. port charges)

HIGHLIGHTS:

Adventure Activities

High adventure on an inland sea! Feel the thrill of active exploration or the warmth of the sand relaxing on a secluded beach.

Wildlife & Plant life

Jacques Cousteau called the Sea of Cortés “the world’s aquarium”—and you’ll quickly agree! From gracefully gliding whales to bustling bird colonies, Baja is abuzz with life.

LAND ANIMALS & BIRDS

More than 40 reptile and amphibian species, over 50 mammal species, and nearly 200 bird species call Baja California Sur “home.” While many are masters of disguise and concealment, here are some of the local residents you might spy:

- Spiny-tailed iguanas
- Lizards: horned, zebra-tailed, and worm
- Coyote
- Boobies
- Pelicans
- Cormorants
- Magnificent Frigatebirds

MARINE ANIMALS

From the largest mammal on earth to the tiniest microorganisms, the Sea of Cortés supports an incredible array of marine life. Thousands of invertebrate species cohabitate with more than 900 species of fish as well as whales and other large marine mammals. You might see:

- Gray, humpback, blue, and fin whales
- Whale sharks and dolphins
- Sea lions and mobula rays
- Butterfly fish, parrot fish, oarfish, and starfish

FLORA OF BAJA

Remarkably, the arid desert of the Baja Peninsula supports over 500 species of plants. An incredibly unique ecosystem, animal life is inextricably linked with cacti—a relationship that helps preserve diversity of both plant and animal life.

- Cardon cactus, Cholla cactus, Pitaya cactus
- Mesquite
- Palo Verde trees
- Mangroves
- Elephant trees

ITINERARY:

DAY 1 – Saturday - San José del Cabo / La Paz – Embarkation

Bienvenidos! You will be met at the Los Cabos International Airport in San José del Cabo and transferred to our hospitality area. Joined by your expedition team, an overland orientation transfer to La Paz acquaints you with the dramatic Baja landscape and the week that lies ahead. The captain and crew welcome you aboard just in time for a cocktail and dinner with your new mates.

DAY 2 – Sunday - Isla San Francisco

In a playground of steep red bluffs and sweeping desert beach, kick off your weeklong adventure with a day of play. Don some flippers for a snorkel among colorful sea life, put on your walking shoes for an exploratory hike, grab a paddle, or relax on the beach with the sand between your toes. The rugged beauty of the island makes it an ideal spot for escapades.

DAY 3 – Monday - Bahía Agua Verde

At Bahía Agua Verde, clear waters are bordered by sparse craggy mountains hemmed in green. Explore the coast by small skiff, visit with a local ranchero and his family, and take to the canyons and mountains on a mule ride and experience the “real Baja.” Scenic vistas, outstanding exploration, excellent birding, and unmatched camaraderie—the day is done.

DAY 4 – Tuesday - Captain’s Choice

While it’s unlikely you’ll find any black pearls, today you’ll sail amongst islands once explored by early conquistadors. Your expedition team will be at-the-ready with more adventurous options to choose from—kayaking, hiking, paddle boarding, or beachcombing. Discover nature’s diversity and learn about the geologic forces that formed these islands.

DAY 5 – Wednesday - Marine Life Search Magdalena Bay (mid-January – early- March)

Mother Nature is your guide today. The gray whales arrive each year on Baja's west coast—migrating more than 12,000 miles—to calve in Bahía Magdalena. Dock in Puerto Escondido, then drive across the peninsula to ride in a panga and observe these mammals and their babies in the lagoon.

—OR—

Bahía de la Paz (November – mid-January; March; order of days changes)

Whale sharks—the largest known species of fish—are known to frequent the bay. Keep watch for the watery “footprints” of these gentle giants, and conditions permitting, gear up for an unforgettable swim alongside this colossal creature or observe from above in the skiff.

DAY 6 – Thursday - Los Islotes / Isla Partida

At Los Islotes—a steep craggy seamount leaping straight from the sea—observe a sea lion colony from the boat and skiff, or slip into a wetsuit for an early morning snorkel with curious, agile young sea lion pups. Afterwards, heave anchor and set sail for Isla Partida, for an afternoon of water play or island hikes along desert beaches or into rocky arroyos.

DAY 7 – Friday - Isla Espíritu Santo

Tuck into a secluded cove surrounded by long fingers of red rock and a golden beach. Spend your last full day enjoying the feel of warm sand under your feet on a beach walk, investigate nooks and crannies in the rocks by kayak, or explore a little further afield on a guided hike. Celebrate your week at tonight's special Farewell Dinner with an entertaining slideshow by your expedition team.

DAY 8 –Saturday - La Paz / San José – Disembark

After breakfast, it's “adios” La Paz, as you disembark the vessel and transfer back to San José del Cabo for your flight, or hotel stay.

Or add a visit to the amazing Copper Canyon. You will fly from La Paz across the Sea of Cortes to Los Mochis, where you will overnight in a beautiful historic hacienda in El Fuerte. In the morning, board the El Chepe narrow gauge train to climb from sea level to 8,000 ft – one of the world's most scenic railways. Spend two nights at the beautiful Mirador Hotel, built on the rim of the canyon. End in Chihuahua for you flight home.

DEPARTURES - EACH SATURDAY

DURATION – 8 days

EMBARKATION - La Paz (Mexico)

DISEMBARKATION - La Paz (Mexico)

SHIP - M/V Safari Endeavour

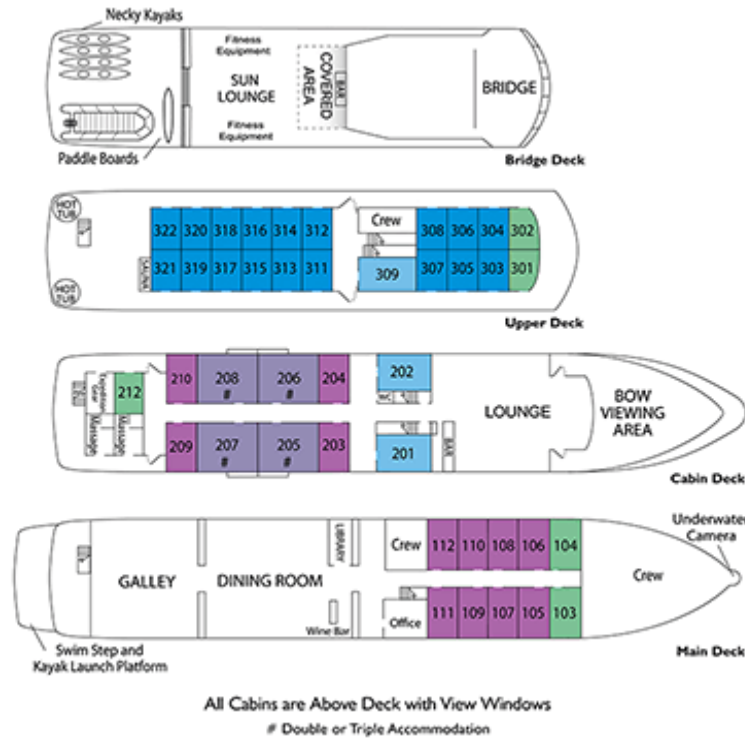

RATES PER PERSON/DOUBLE	DEC 2018	JAN-MAR 2019	DEC 2019	JAN-MAR 2020
