

MATAMANOA ISLAND RESORT AND WESTIN DAY ROOM POST-CRUISE OPTIONS IN FIJI

Matamanoa Island is an intimate and secluded, adults only Fijian Resort. We are set in the beautiful Mamanuca Islands approximately 30 kilometers west of Nadi International Airport – experience a true gift of nature. The Island boasts a volcanic cone jutting out of the azure waters of this marine sanctuary. Clad with native bush and palm trees, the brilliance of the vegetation contrasts magnificently with the white curved sandy beaches and coral reefs. Combined with nature, we have created a haven for those who want to relinquish the pressures of a busy lifestyle. This is for those who dream of peace and tranquility.

To achieve this special atmosphere, Matamanoa Island Resort has adopted a year round policy of not permitting day-trippers at any time and children under the age of 16 years.

Matamanoa allows you complete days of rest or a wide range of leisure activities and cultural excursions: swim in the infinity pool and soak up the vistas; or snorkel in the beautiful Pacific Ocean; try your hand at tennis or sip a long cocktail at the bar as the sun sets; experience the treetop spa, Senaki, and be massaged with the scent of exotic aroma oils, a truly heavenly experience. Discover the magic of this beautiful Island and make new memories.

Beach Front Bure

With its ease of luxury, you will fall in love with the Bure; whether it's to awaken in bed and gaze upon the magnificent and intricate tapas on the ceiling, relax in your spacious and beautiful lounge, take a dip in your own private plunge pool and then indulge with a book in the shade of your thatched day-bed...only steps away to walk along the pristine white sand beach...life is perfect on Matamanoa.
